I, the undersigned, release any and all liability from the tournament director and any other parties involved for any damages and/or injuries incurred at this tournament.

I understand that the tournament committee reserves the right to change the format of the tournament due to inclement weather.

- We ask that the coaches who bring their teams to our tournament supervise their players while warming up. We utilize our main soccer field for parking and many teams like to hang out there in between games, which is not a problem. However, when your teams are ready to warm up, please move them away from this area, preferably to the legion baseball field where there's plenty of space.

Feel free to contact me with any questions.

Thank You,

Jeffrey Miller

Oley Valley Youth League Softball Commissioner
