

(logo) Oley Valley Youth League

Volunteer Opportunities

The Oley Valley Youth League is almost exclusively run on volunteer time. We are unique in Berks County as we own our own facility. We do not depend on the townships we serve, or your tax dollars to maintain our facility. When comparing our fees with other clubs we are one of the lowest cost programs. In addition we are recognized as having one of the top facilities in Berks County. We would like to maintain that tradition by seeking individuals or companies that are willing to provide free labor so that our costs can remain low.

If you would be willing to donate time to the OVYL in order to help control costs for the upkeep of the facility, please fill out the following information.
