

Camp Director

Rick Harrison

Coach Harrison is entering his third season as head coach of the Oley Valley High School baseball team with an overall record of 21-

18 in his first 2 seasons. Some highlights of his first 2 season include: the team making the Berks Championship game for the first time in over 20 years, qualifying for districts, and the Lynx had a player make All-Berks the past 2 seasons. Prior to becoming the varsity coach, he has coached within the Spring-Ford School District for 10 seasons. During the past 11 summers, Coach Harrison has also coached legion baseball. He has enjoyed a great deal of success while winning 2 state titles and qualifying for the play-offs every season. He is also a Health and Physical Education teacher in the Spring-Ford Area School District.

Through his years of playing and coaching, Coach Harrison has learned a great deal about the game of baseball and how to teach winning baseball to young players. He has coached baseball at all levels, from Little League through high school and senior legion. The goal of this camp is to teach fundamental baseball skills, to provide an environment where young players will be able to play the game and have fun. There will be daily instruction, drills and games that promote the game of baseball and more importantly, having fun.

Coach Harrison is looking forward to camp where he gets to meet and enjoy working with young ball players.
